Figure 1 illustrates the structure of the source and target datasets. The source dataset is a box containing the following information: source_posid, [source], [index], 0.0 (0.0%), and of 78701.0 (100.0%). The target dataset is a box containing the following information: target, compus_posid, [source], [index], 0.0 (0.0%), and of 78701.0 (0.0%). Arrows point from the top to each box.
